Algonquin Gas Transmission Company; Notice of Request for Extension of Waiver

October 2, 1997.

Take notice that on September 15, 1997, Algonquin Gas Transmission Company, (Algonquin) in compliance with the March 13, 1997¹ and May 21, 1997² orders of the Commission in the captioned docket tendered for filing a request for an extension of the six month waiver previously granted by the Commission with respect to compliance with the data elements and formatting as adopted by the Commission in Order No. 587.

Algonquin states that under the waiver, it was required to submit its requests for changes to the data elements to the Gas Industry Standards Board (GISB). Algonquin states that it has implemented the changes already approved by GISB, but requests an extension of the waiver until the Commission adopts the next version of the GISB standards. With respect to those requests still pending at GISB, Algonquin requests an additional six month extension of time.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Regulations. All such protests should comply with principles set forth in the Commission's May 21, 1997 order and must be filed by October 14, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are

on file with the Commission and are available for public inspection.

ANR Pipeline Company; Notice of Informal Technical Conference

October 2, 1997.

On February 28, 1997, ANR Pipeline Company (ANR) tendered revised tariff sheets reflecting its annual

redetermination of the levels of its Transporter's Fuel Use (%) as required by ANR's currently effective tariff. By order issued March 26, 1997,¹ the Commission accepted and suspended the tariff sheets subject to refund, to be effective April 1, 1997, and requested that the parties file additional comments within 20 days of the order, with reply comments to follow 10 days later. By letter dated August 19, 1997, Staff requested additional data from ANR.

Upon review of the filing herein, the additional comments and data responses, staff has determined that it will hold an informal technical conference on this matter.

Take notice that the technical conference will therefore be held at 10:00 a.m., on Tuesday, October 14, 1997, and continuing the following day, Wednesday, October 15, if necessary, in a room to be designated at the offices of the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington D.C. 20426.

All interested parties and Staff are permitted to attend. The parties should be prepared to support their conclusions with specific references to the work papers and information that has been provided to the Commission. Questions about this conference should be directed to Bob Keegan, (202) 208-0158, or Louis Lieb, (202) 208-0012.
